

I want rules in place that serve the public, rather than private, interest. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules.

Corporate America has already become an insane behemoth, paying little taxes and taking actions that limit the citizen's power and ability to choose.

Do the right thing and vote for the public. We cannot necessarily count on our elected officials to do this as they are paid off quite well by various PACs. You have the power to stem the tide of corporate corruption. Don't make our "500 channels and there's nothing on" a worse situation where we have 500 channels and the same thing is on all of them. This is more like old-time Russia than America!
